CEBU HASH HOUSE HARRIERS
Minutes of the Mismanagement Meeting
3 January 2018

On-Sec: Busted Dick

Officers Present:

Disco Dick (GM Detritus)	Dribbles Weekly (Hash Cash)
No No I'm Not Your Bitch (GM)	French Tickler (RA/Habberdasher)
Busted Dick (On-Sec/Hash Booze)	

Observers:

Shag My Woofy	Facial Attraction
Sherpa	French Letter
Tight Arse	

Matters Arising From Minutes of Previous Meeting:

BDO Account – hopefully there is P12/13k in the account which is hopefully still active. Furnicator is in Thailand so Dribbles has been unable to liaise with him to withdraw the money.

Patch – No No is working to identify a suitable manufacturer and develop a patch.

Officers Reports:

Hash Cash – presented the latest accounts; there has been a downwards trend recently but this is within expected limits. The accounts are healthy, considering recent outgoings.

Habberdasher – 7 shirts sold recently, still has 5 Xmas shirts available plus an additional 9 shirts with names on which were ordered but not collected. Also has 5 blue shirts and 6 larger sized Nash Hash shirts.

Hash Booze – supply problems with San Miguel soft drinks – not available at wholesalers, has to rely on local SM rep who is unreliable; however other soft drinks are always available on runs. Continuing problems with transport, thanks those who have helped out. Hopes this issue may be resolved soon.

Ongoing Business:

Beer Stops & Hash Food – a general discussion took place; the consensus opinion was that the current arrangements should continue; ie, the hares are best placed to decide if a run site is suitable for nibbles, pot luck etc and that all hashers are encouraged to contribute to the food. Beer Stops are a voluntary addition, decided by hares & paid for by hares.

Feedback re 23 December Run (Sudlon) – Tight Arse produced detailed accounts of the charitable donations and disbursements, showing a small surplus that will be carried over

towards the next project. Tight Arse stated that the people of Sudlon were grateful for the gifts and the food presented which exceeded their expectations. A vote of thanks was conveyed to Tight Arse for organising the event and it was agreed to continue to support her charitable efforts. A discussion took place about what form the next project could take; for example agricultural, medical or childcare assistance.

Away Run, Bohol – being organised by Cuntstable, Check Your Pants, Leaky Dick & Wet Nurse, over the weekend 17/18 March. P1000 deposit per person is required, to be paid during January. There are regular ferries from Cebu to Tagbilaran so individuals can pick times/dates to suit them. Many hotels in Panglao so flexibility on prices etc. Many expressed a wish to stay in the same hotel so No-No will contact Cuntstable to enquire which hotels might be most suitable. On-Sec will publish details of the deposit requirement.

Hash Transport – Kris & the van will be unavailable imminently due to his securing a long-term transport contract. It was agreed that the van had been very useful and it would be good to continue the arrangement with another provider, at a similar price, if possible. Shag My Woofy agreed to discuss the situation with her father who has a similar van. Hash Booze has transport problems. It is not known whether a pick-up previously hired is still available.

Red Dress Run – It was agreed that the Red Dress Run, which would raise funds for charity, would be held on 18th February, and that the hares would be Tight Arse and Facial Attraction.

New Business:

Shag My Woofy will continue to organise monthly raffles, proceeds to charity.

Sinulog – a question was raised about the impact Sinulog may have on upcoming runs. It was felt that the run on 14th January would be unaffected as it would probably be held in Lahug but the 21st January run was believed to be planned for Mactan, hared by 2 Balls and Fuckamoo; and may be affected. It was noted that the main Sinulog procession on 21st January was to be held in the Fuente area, as in previous years, and not SRP. Consequently Fuente will be very busy and should be avoided. **On-Sec update – according to official schedule https://www.facebook.com/pg/CityofCebuOfficial/photos/?tab=album&album_id=1689919774418591 January 14 & 21 have no events scheduled other than masses (locations unknown). The main processional activities take place on 11, 19 & 20 January.**

Sherpa pointed out the ongoing, expensive alterations to The Sandtrap and raised the matter of needing an alternative kennel, should it become a private members club. Whilst the new owner appears friendly towards us, and alterations are expected to continue for some considerable time it would be useful to identify an alternative venue, suitable for meetings, circles, etc.
